- Scope: Workshops are structured to be interactive...attending with your tuned instrument is encouraged.

Kid's Academy

ALL Instruments!

Specialized Workshops

Information Sharing for Festival Promoters

Jodi Fishbein (OATS Bluegrass Festival)

Interested patrons are also welcome to attend. **Saturday**

Music Theory 101 - Basics. Sharon Charles, (Charles Piano Studio), will explain basic essential music theory, and how the chromatic music scale relates directly to all instruments. **Saturday**

Music Theory 102 - Hilde Binford, PhD, (Moravian College), and John & Sue Pappas present tunes of the Civil War, many of which remain popular today including: Dixie, Soldier's Joy, Arkansas Traveler, Home Sweet Home...more. **Saturday and Sunday.**

Fiddle with Kerry Craig. Kerry will cover a range of topics in this more intensive and longer workshop geared to accommodate participant's questions and needs...for all levels. **Saturday**

Instrument Clinic with Dana Sutcliffe, Master Luthier, Dana Sound Research, Dana will be available for questions regarding repairs, set ups, strings, woods, frets, tools, electronics, and accessories related to all instruments. He will have examples of tools and building materials related to the topics of discussions. **Saturday and Sunday**

Injury Prevention for Musicians with Kathy de Plaza N.D. Why Knot? Wellness & Massages, LLC in West Grove, PA. Kathy will focus on the ability to maintain muscle health and flexibility while playing your instrument until you drop! There will be a good bit of hands on work during the workshop. She has been playing flatpick bluegrass guitar for five years and has a good understanding of musician injuries. **Saturday and Sunday.**

**Clawhammer
Banjo**
